

# Women Led Sustainability Projects

*Appreciation Awards: Celebrating Women Driving Sustainable Change in Industry*

Organized by:  
Lanka Responsible Care Council (LRCC), Sri Lanka

---

## ✦ About the Programme

The **Women Led Sustainability Appreciation Awards** is a special initiative by the Lanka Responsible Care Council to recognize and appreciate **women-led sustainability projects** implemented within industrial organizations. This programme highlights leadership, innovation, and measurable improvements in **Environmental, Health, and Safety (EHS) performance**.

---

## 👤 Who Can Apply?

- Women professionals who have **led or actively driven a sustainability project**
  - Projects implemented **within the last two (02) years (2024 & 2025)**
  - One project per organization
- 

## 🌱 Eligible Project Areas

Projects demonstrating improvements in:

- Environmental performance
  - Occupational health and safety
  - Sustainable industrial practices
  - Safe chemicals management
  - Water management
  - Energy Management
-

## **How to Apply**

There is no application fee for this awards programme. Submit a **10-minute presentation video** covering:

1. Name of the project
2. Name of the organization
3. Project team (women leaders involved)
4. Objectives of the project
5. Novelty and innovation
6. Implementation approach
7. Results and achievements

 **Submission Deadline: 27th February 2026 at 8.00pm**

 **Submit to:** [responsiblecareawards@gmail.com](mailto:responsiblecareawards@gmail.com) or [srilankaresponsiblecare@gmail.com](mailto:srilankaresponsiblecare@gmail.com)

Winners will be selected by a panel of judges appointed by the Lanka Responsible Care Council.

---
